

Dunholme Friendship Club

Hello everyone. Well, it looks as though more and more activities are getting back to normal, or near normal, but of course with certain restrictions still in place. At the Dunholme Friendship Club we have looked at the situation and have come to the decision that it would be unwise to re-start our meetings at this time. We feel that it would be impossible to meet the conditions required for social distancing and continue with our games and other activities.

We have therefore reluctantly postponed re-opening until such time as it is safe to do so. We will keep this decision under review and let you know when we are able to start our meetings again.
