

## *Jambusters WI*

**Jambusters** WI members, along with a bunch of wonderful walkers from various Lincolnshire WI groups, enjoyed a hot and sunny weekend in August for our fundraising challenge. The challenge was for members collectively to walk 142 miles (the distance from our meeting place in Dunholme to the WI's Denman College in Oxford) over the first weekend in August.

Beaming smiles were captured in the lovely photos showing walks taking place in various beauty spots across the lovely Lincolnshire countryside. Everyone's miles have now been received and totted up and...drum roll please...we achieved a fantastic total of 400.12 miles. Well done everyone! We smashed our target with enough miles to clock up the distance from Dunholme to Paris!

A huge thank you to all who took part and to those who kindly donated to raise money for St Barnabas Hospice and LIVES.
