### Dogs

**When** exercising dogs on the playing fields please keep them on a lead. When walking your dog on the playing fields on around the village, be alert to where they leave their mess and clean up after them.

### Welcome to Welton-by-Lincoln booklet

**This** is an informative booklet that was published by the parish council last year. Although some of the information will now be out of date it may still be useful, particularly to new residents, whom we welcome to our village. If you would like a copy, please call in and collect one from the parish office.

### Hedges

**If** you own a hedge, please inspect the base as unfortunately some people discard their rubbish in hedges. As well as being unsightly, this can endanger wildlife. Also walk all the way around your hedge, if you can, and trim all sides as overgrown hedges can make it difficult for disability aid users, pedestrians, pushchairs and prams to traverse pavements.

## Meetings

**See** the **PC Notice Board** on the *Welton-by-Lincoln Parish Council* page of this website for information about upcoming parish council meetings. All meetings are open to the public and time is allowed prior to the start of the meeting for public and press to ask questions, put forward ideas or make short statements to the council. Items not on the agenda will not be debated but, if appropriate will be added as an agenda item for the next appropriate meetings. Reports from county and districts councillors are also given prior to the meeting.
