

Welton Moncé Family Twinning Association

Sadly, but not surprisingly, the annual exchange between Moncé en Belin and Welton will not be taking place this year. An early decision was made during lockdown and all arrangements are postponed until August 2021.

Our friends in Moncé have been experiencing a similar situation to us here in Welton, with lockdown, restricted movement, face masks, etc. If anything it was more stringent there than here in the UK. As I write this in mid-August, face masks are compulsory in enclosed public spaces, such as shops and cinemas, and on public transport with an upturn in the incidence of Covid-19. We wish everyone in Moncé well

The annual 'Wine – Call My Bluff' is also postponed until 2021; gosh there's so little fun in this coronavirus!

We'll keep you updated on developments.
