

Welton Village Hall Trust

Further regulation came into force on 7th August concerning the use of face coverings in community buildings, which has been communicated to our users. The provisions create a default position that face coverings should be used but contain a raft of exceptions for some groups of people and some activities. As always, the Trust requires all hirers to have read the regulations that apply to their activities and to put in place the necessary arrangements. The Trust will, of course, do everything we can to assist.

The sad news this month is that the Luncheon Club will not be resuming. The club has been operating for well over 20 years and Anne Loom has been the organiser for most of that period. Anne told me that she had found it impossible to find someone to take over from her and, as many volunteers and users are still shielding or self-isolating, it is impractical to consider a resumption. However, if there is anyone or any organisation that might be interested in stepping in, Anne would love to hear from you to talk through what is entailed. All the equipment required is available and finances are healthy. If anyone can help, please contact me and I will let Anne know.

For hall bookings telephone **07342 209857**. You can also book by sending an e-mail to weltonvillagehallbookings@gmail.com.
