

Brownies

Brownies: 1st Welton and 2nd Welton

It's been a funny time for all of us and we continue to look for new ways in which we can still meet and do some Brownies.

Both groups have joined together to deliver Zoom meetings on a regular schedule. These seem to be going well and the girls have joined in and seem to have a good time and to enjoy the challenges we set, from a scavenger hunt to making sock puppets.

Both groups have also sent out packs to keep members engaged, from colouring and crafts to baking and puzzles. This is our way of keeping in touch with each member and we hope they enjoyed them. Please remember to pay subs, even if you're not joining the Zoom meeting: this goes to the census we pay each year to maintain the Girlguiding organisation. As we are not meeting face to face we have reduced subs to £20 per term, payable by BACS into your daughter's group's bank account, either Barclays for Thursday Brownies or HSBC for the Monday group.

As time goes on I'm sure we will adapt to our new way of how things are: they aren't the same as before the pandemic but we hope that in the coming year things will start to return slowly to some kind of normality. For the present we will continue to refrain from meeting face to face but as soon as this changes we will let you know.

Monday Brownies continue to look for replacement leaders. Betty and I will be stepping down next year and we would like desperately for the group to continue but without two volunteers coming forward the group may have to close. If you are interested in becoming involved please get in touch for more details.
