

Royal British Legion: Remembrance Day

Sadly there will be no traditional gathering at the memorial service in Welton, Dunholme or Scothern on Remembrance Day this year but we have alternative arrangements to involve the whole community, especially the children.

Our vicar, Adam Watson, will be collating snippets of videos made by preschool, nursery and primary school children, with readings and possibly music from those at William Farr School. All older interested individuals or organisations that wish to lay wreaths or poppies in advance of the day (early November) and have this added to the video should contact Revd Adam. All contributions will be edited together and broadcast on Remembrance Sunday on the Welton, Dunholme and Scothern Benefice YouTube channel, just as normal church services are in these socially distanced times.

*Richard Selina
Secretary, Royal British Legion*
