

Welton Golf Society

Twenty-three members and three guests made their way to Waltham Windmill Golf Club near Grimsby. It was a glorious autumn day and the course was in first class condition. The staff were very helpful and the fish (more like a whale) and chips was well received afterwards.

Our captain Alan Woodhead was the winner with 36 points. Alan Pretty was second with 35 points, Bob Boulton third with 33 points, beating Dick Holmes on count-back. Mike Wilson was the guest winner with 28 points. Dick Holmes also won the twos. This seems to be won every month: perhaps we should choose a more difficult par three. Nearest the pin was Richard Grayson, 32 cm closer than Graham Reeve.

Next month, on 2nd November, we are travelling south to Sleaford Golf Club.
