Dear Editor,

I would just like to thank all the people who kindly made the wonderful crocheted and knitted squares, as well as fabulous pompom decorations, to form a large woolly Christmas Tree creation in our front garden on Ryland Road, Welton.

After such a difficult year, I wanted to do something that would bring a smile to people's faces and brighten people's day. What began as a spur of the moment idea and a post on Facebook to friends and crafty connections turned into the cheerful creation involving over 300 squares made by around 25 people! I was blown away by the response and people's generosity.

Building community and making connections with people is so important, especially during these difficult times, and I'm grateful to live in a village where people want to support one another, whether it be through their work in the NHS, education or other keyworker roles...or even by making a few squares for a crazy Christmas Tree!

My thanks again to everyone who got involved and gave their time, skills, and wool supplies. I'm very grateful. I wonder what we could create for Christmas 2021?

Ann Evans
