

Netball News

Hopefully, 2021 will see the start of the Lincolnshire league for all age groups, playing outside. It is anticipated that the league will be running by February, so fingers crossed that there isn't another lockdown.

Under 18s were able to resume training indoors again, if clubs had the facilities, after the second lockdown was lifted; although seniors have to train outdoors and all match play for all age groups is currently outside. If the cold doesn't bother you and you want to get back to some form of exercise and are interested in giving netball a go, details of local England Netball accredited clubs and contacts are below:

	Clubs	Training Day	Contact
Gold Caps	Brigg and district	Saturday afternoon (indoors juniors)	Vanessa McErlain-Naylor 07836 598027
Silver Caps	Washingborough Imps	Thursday evening (outdoors)	Rachel Henderson 07920 096042
	Lincoln City	Thursday evening (in/outdoors)	Lizzie Saywell 07504 971913
Bronze Caps	Louth	Thursday evening	Carolyn Blackburn 07894 123154

Superleague netball is also set to make a return in February 2021. Pre-season friendlies have been played behind closed doors due to the exemption for elite sport to be able to continue training/playing inside.
