

We Lit Up Welton Together!

A huge thank you to everyone who created such fun and beautiful window displays through the Advent period. We're very grateful and are sure many people, children and adults alike, enjoyed their handiwork. There was such a range of ideas and each one was unique.

The village looked beautiful with everyone's Christmas lights and window displays. We hope that we will be able to do the same type of living Advent calendar again in 2021 and that many more people will be able to use their creative talents and that more people will take part and follow the trail.

Once again, thank you for all the time and effort put into creating the displays which lifted our spirits at the end of a difficult year for all.
