

*Welton Library and Community Hub  
January 2021 Update*

**We** regret to advise that, due to the current lockdown, all community hubs, including Welton Library and Community Hub, are now closed until further notice. We apologise for any inconvenience caused and appreciate your patience and understanding.

Current book loans will be automatically extended until 22nd February 2021.

While we are closed, why not try using your library card number and PIN to access ebooks, eaudio, emagazines and emusic online at <https://capitadiscovery.co.uk/lincolnshire/>.

For those who want to borrow books and are able to travel within the government guidelines during the national lockdown, all 15 core libraries remain open. They will only be issuing books reserved in advance either online or via the telephone and there will be no access for browsing and no use of computers at the libraries.

You can reserve books online at <https://capitadiscovery.co.uk/lincolnshire/> or by calling 01522 782010 with collection from the core library of your choice.

Core libraries are located in Boston, Bourne, Gainsborough, Grantham, Horncastle, Lincoln, Long Sutton, Louth, Mablethorpe, Market Rasen, Sleaford, Spalding, Skegness, Stamford and Woodhall Spa.

The Welton Library Facebook page will be updated with more details and ideas during the lockdown period.
