

DUNHOLME CAMERA CLUB

Well, we do have a bit more freedom as we come out of lockdown but club members are still not meeting in person so Zoom meetings are continuing. As with everyone else we are now allowed to meet outdoors and some of the members have started getting out and about again in twos and threes to do what they love doing, taking pictures. Hopefully, during the rest of the year we will be able to get out a little more and take some great pictures. If you would like to see what we are doing head over to the website and look through the members gallery or the recent photos section at some of our members' amazing images.

As I said, we continue our meetings on Zoom. If you want to see what we have planned go to the website and have a look at our calendar. We had some great images in the competitions this year, even though our time outside has been restricted, and a lot of happy winners. We do look forward to being able to invite everyone to come along to The Old School at Dunholme in the not too distant future but we do not envisage being able to meet until June at the earliest.

If you are interested in photography and would like to know more about the camera club then please get in touch.
