

## JAMBUSTERS WI

**The** Jambusters had a spring in their step for our April meeting. Crafting was on the menu as our kits of wool, thread, bubble wrap and gauze, transformed into creative colourful felt scenes of daffodils and blue skies. Louise Drakes, our tutor for the evening, took us step by step through the process to achieve our blooming marvellous pieces of art. Thank you, Louise, for a fun evening and an interesting insight into the fabulous work you and your stitching team have carried out during lockdown making scrubs for the NHS and over 9,000 masks with lip-reading panels!

Our next meeting is on Tuesday 4th May when we will be continuing the creative theme as Jane Lappage from Calligraphy Arts gives us a lesson in wonderful writing.

We look forward to Zooming with everyone again and hope to be meeting face-to-face soon.
