

**What** is the u3a? It used to be known as the University of the Third Age, but not anymore! We have arrived in the 21st century. We are now part of a national group but known locally as **Lindsey u3a**, where you can **learn, laugh** and **live**. How do we do that? Well, we are a self-help group that organises monthly meetings and regular activities. We welcome all those who are retired or semi-retired, married or single.

We are friendly people and usually meet in Welton village hall once a month, hopefully starting again in August, for free coffee and biscuits and to have a chat with 'old' friends and get to know 'new' ones. We listen to interesting and entertaining speakers and you can also find out about our many activity groups which include architecture, computers for all, family history, gardening, pub visits, reading, walking and many other activities (see our website).

We look forward to welcoming you to our thriving, enthusiastic and young-at-heart Lindsey u3a. In the meantime, take a look at our website ([www.lindseyu3a.org.uk](http://www.lindseyu3a.org.uk)) where you will find much more information. You can also contact me via e-mail or phone.
