

COMMUNITY BIBLE STUDY

If you've ever thought about reading the Bible but don't know where to start, Community Bible Study (CBS) is a really effective and accessible place to begin. You don't have to have any previous Bible knowledge, just a willingness to learn. Each week, members look at a passage and answer questions on it at home. Then we meet together and discuss our answers in small groups and listen to a short talk. Our group members are drawn from eight different churches and it is fascinating to study God's word together, hearing different people's insights and opinions, and learning from each other.

During lockdown, we continued to meet together as a group, making use of Zoom, to study a variety of shorter books of the Bible. We will be studying several Old Testament books this year, looking at the lives of some of the prophets. We are delighted to be able to return to face-to-face meetings, but will be doing so very carefully with various precautions in place to make sure everyone stays safe. As always, our discussions will be punctuated by laughter, new friendships will be formed and our faith deepened and challenged.

We meet every Wednesday (in term time), 9.30am to 11.30am, at the Old School Rooms, Dunholme. Our first meeting of the term will be 22nd September, to catch up with each other after this long and difficult 18 months and to register for the year. If you would like to join us, you would be more than welcome. Please ring me for more details.

If you are interested in studying the Bible, but can't make Wednesday mornings, there are other CBS classes all over Lincoln. You can find more information about these on our website.
