

DUNHOLME CAMERA CLUB

As the summer begins to draw to an end, here at the club we are only just getting going! Over the last 18 months or more of Covid restrictions the club has been meeting virtually but starting in September we will once again be getting back to our club room at The Old School at Dunholme. Our first meeting will be on 2nd September for a get-together and social evening, to chat and re-acquaint ourselves. I'm sure some members will have purchased new camera gear over lockdown, so we can all have a chat about all things photographic.

September will be a busy month, starting with our social on the 2nd, followed by the *Chairman's Challenge* competition on the 9th and on the 16th we will have *The Old Masters* competition, which is the last of our POTY competitions for the year. Finally there will be a talk by Diane Seddon entitled *Painting with Light*, a demonstration of indoor and outdoor light painting. We look forward to meeting all members. If anyone would like to join us just get in touch and come along. Everyone is welcome and the level of photographic skills does not matter.
