

## 1ST WELTON RAINBOWS

**1st** Welton Rainbows started autumn term last month, and we have been busy ever since! We have continued working on our Guiding Programme theme awards and have started getting ready to celebrate Halloween!

We decided to learn how to be good first-aiders, to know what equipment is needed in a first aid box and how to have good handwashing skills. We have all learnt this new information because we have been working towards the First Aid Stage 1 Skills Builder. We are getting very close to finishing this badge and will have fully completed the theme award by the end of October. The girls were given the choice to pick which interest badge they wanted to do for this theme. They could pick from either the Healthy Mind or Fruit and Veg badge. We have seen some fantastic work so far and can't wait to see what everyone else gets up to while completing their badge of choice.

We have had three new girls join our unit this term. We hope they are settling in well and enjoying their first term at Welton Rainbows. We love extending our Rainbow family. If you would like your daughter to join Guiding, please go to the *Join Us* section on the Girlguiding website. We currently have a long waiting list but we will do our best to accommodate everyone.

We have some exciting plans for the rest of the term, including competing in the Welton Scarecrow Trail. This trail is held during October half term. Our scarecrow will be in the window of the Scout and Guide Hut, with the theme of Halloween. We are looking forward to being creative and bringing all our scarecrow ideas to life. The Scarecrow Trail will be happening between 22nd and 31st October, maps will be £2 and you get to vote for your favourite scarecrow. If any of our Rainbow families do take part in the Scarecrow Trail, please make sure you take a photo next to our scarecrow and post it on our Facebook page! We look forward to seeing you complete the trail.

To celebrate Halloween, at our final meeting in October we are having a Halloween party! We are excited to see all the girls dressed up in their spooky Halloween outfits. We have lots of fun games planned but most importantly we hope all girls bring along their dance moves ready for our disco!!

We have lots more fun activities planned for this term and can't wait to celebrate Halloween and then Christmas.
