

WELTON-BY-LINCOLN IN BLOOM COMPETITION

Welton Parish council (PC) is looking once again to enter the Village in Bloom Competition in 2022. The village entered the competition in 2019 and the PC was pleased to receive a silver award, which was a great achievement for a first entry. We would like to aim for Gold in 2022. Now the PC is calling for a community effort to support Welton-by-Lincoln in Bloom.

Judging for the East Midlands in Bloom competition is scheduled to take place in early July and we are looking to enter in the spring. We cannot do this on our own. On recommendation from the judges of the 2019 competition we are looking to set up a working group, and support from the community and local businesses would be greatly appreciated and would increase our chances of achieving a gold award.
