

JAMBUSTERS WI

The Jambusters thoroughly enjoyed our September meeting with Marvin Liddle, a local beekeeper. Marvin brought along one of his hives and shared a vast amount of knowledge about his busy bees who travel for miles, before returning laden with pollen gathered from the Lincolnshire fields.

We were keen to taste the end result: delicious Lincolnshire honey, perfect for porridge.

Our next meeting takes place on Tuesday 5th October when we look forward to welcoming Andrew Morton, the Chief Executive of United Lincolnshire Hospitals Trust (ULHT).

See you then!
