

JAMBUSTERS WI

Hooray! The Jambusters finally did it! Yes, we managed to gather in August for our first face-to-face meeting for almost a year and a half.

The weather was kind to us and we sat relaxing outside on the school field, in garden chairs and on picnic blankets, sipping drinks, chatting and enjoying each other's company. It was really lovely to see everyone.

A big thank you to Fleur's Kitchen for providing delicious crêpes and drinks, which went down a treat.

We are busy and back together again on Tuesday 7th September as Marvin Liddle, a local beekeeper, joins us. He will be bringing along jars of his delicious local produce. As our first real-life, non-virtual speaker in a long time, we are buzzing with excitement.

Looking forward to seeing all the Jambusters ladies.
