

## WELTON MONCÉ FAMILY TWINNING ASSOCIATION.

**August** Bank Holiday weekend is normally when Welton families join together with families from Moncé en Belin, France, to enjoy a weekend of ‘entente cordiale’; although our weekends are so much more! Sadly, for the second time, we were unable to welcome our friends to Welton due to Covid-19 so instead we arranged a picnic in the park for Welton twinning families, past and present.

On a cool Friday evening we duly turned up at Ryland Road playing field with our tables, chairs, picnic and of course international varieties of wine. It was pleasing to see so many turn out to enjoy a very sociable evening, until the mosquitos and some chilly evening air drove us home.

Thank you to Chairman John and committee for suggesting the evening and to all those who turned up. We have extended an invitation to our French families to join us in June next year for the Queen’s Jubilee. Hopefully the weather will be more like that in Moncé when they come over and, of course, let’s hope its third time lucky!

If you would like to know more about twinning or think an organisation you are involved with could create a link with like-minded families/groups in Moncé then please get in touch for a chat to see what possibilities there are.
