

WELTON AND DUNHOLME CRICKET CLUB

We have now concluded our outdoor spring and summer sessions. What a fabulous few months it has been. We registered 65 local children aged between 5 and 11 for the National All Stars and Dynamos programmes and introduced most of the them to cricket for the first time. The programme was a huge success and enormous thanks to all those involved.

With such enthusiasm from the kids, willingness from the parents and dedication from the team of coaches we were able to continue our plans beyond the national programmes and we developed our junior section. This allowed us to continue with weekly coaching sessions and take our first tentative steps into competitive cricket with several matches against our local rivals.

All being well, we plan to field teams in the Lincolnshire U9s and U11s league next season and to help get them up to speed we hope to run some indoor winter training sessions. We will of course be running the national programmes again in the spring so look out for the adverts next year.

The coaches at the club could not be prouder of what was achieved this year and we're all super excited about developing the club over the coming years. Thanks again to all involved – parents, kids, coaches and helpers.

The club is open to all and we're always looking for additional helpers, coaches and new junior members. If you are interested, drop us a line at [wdcricketclub@outlook.com](mailto:wdcricquetclub@outlook.com) or call 07796 273063.
