

WELTON GOLF SOCIETY

Eighteen members and one guest went to Tetney Golf Club on one of the warmest days of the year. The staff were very hospitable and the bacon roll and coffee on arrival were very welcome. The course was challenging, particularly the 17th and 18th holes, in the stifling weather. The compensation was a long cold drink and excellent fish and chips when we reached the club house.

The winner on the day was Mac Harrison with 43 points, followed by John Ryland with 40 points and Alex Lawford with 37 points. The handicap secretary has suitably adjusted their handicaps but did report there were no discrepancies on the cards. Well done! I won a whole £10 on the twos hole. I was lucky as it nearly went in for a hole-in-one which would have cost me a tidy penny. Bob Boulton was nearest the pin.

Two knockouts were played; Steve Gibson overcame Mike Wilson and Mac Harrison destroyed Rick Sutton.

The current position of player of the year is John Ryland with 176 points, Fred Sweeting with 167 points and Alex Lawford with 165 points.

A number of us met at the Welton Sports and Social Club in the evening for some refreshments and the prize giving.

On 4 October we are at College Pines Golf Club near Worksop.
